

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. (currently amended) A method for making a beverage comprising the steps of:
 - (a) heating a beverage extract within a beverage brewing machine to a temperature from about 75°C to about 90°C to produce a heated beverage extract; and
 - (b) mixing the heated beverage extract with a solvent to produce a beverage on demand.
2. (Original) The method for making a beverage according to claim 1 wherein the heated beverage extract is a tea extract.
3. (cancelled)
4. (previously presented) The method for making a beverage according to claim 1 wherein the solvent is water.
5. (previously presented) The method for making a beverage according to claim 1 wherein the solvent is heated to produce a heated solvent that is at a temperature from about 40 degrees centigrade to about 100 degrees centigrade.
6. (currently amended) The method for making a beverage according to claim 5 wherein the heated solvent is at a temperature from about ~~2-0~~45.0 degrees centigrade to about ~~30-0~~90.0 degrees centigrade.

7. (original) The method for making a beverage according to claim 6 wherein the beverage comprises less than about 45.0% by weight heated solvent.
8. (original) The method for making a beverage according to claim 1 wherein the beverage is translucent and does not comprise visible particles of extract.
9. (original) The method for making a beverage according to claim 1 wherein the beverage comprises at least about 0.1% by weight extract.
- 10-21 (cancelled)
